

iPhone User Guide

Everything you need to know about iPhone

[Table of Contents](#) 

Get started

Set up a few basic features before you start using your new iPhone.

[Setup basics >](#)

Add a personal touch

Your iPhone can reflect your personal style and preferences. Showcase your favorite photos on the Lock Screen, add widgets to the Home Screen, adjust text size, ringtones, and more.

[Make your iPhone your own >](#)

Take your best shot

Use your iPhone to capture the moment, wherever you are. Learn how to take photos and videos on the fly, and use other camera features on your iPhone.

Take great photos and videos >

Stay connected

iPhone makes it easy to reach the people important to you. Add them to your contacts so you have their information everywhere you need it—then catch up with text messages, phone calls, or FaceTime.

Keep in touch with friends and family >

All in the family

You and your family members can use Family Sharing to share eligible app purchases, your location, and even health data. You can also choose a family member or someone you trust to help you regain access to your iPhone if you forget your passcode.

[Share features with your family >](#)

Simplify your day

Learn how to use the apps on your iPhone to direct you to the places you go most often, pay for your morning coffee, remind you of important tasks, and even lock your front door automatically when you leave home.
